Jocelyn Koenigs

Junior Interior Designer

Orangeville, ON · [Phone] · josiekoenigs@gmail.com · linkedin.com/in/jocelynoenigs · Portfolio: https://josiekoenigs-ops.github.io/Portfoliobyjosie/

Profile

Interior design student in Georgian College's Honours Bachelor program (graduating April 2027) with two hands-on placements: a residential design co-op in Barrie and a commercial internship at an architecture and interiors firm in Dublin, Ireland. Experienced across the full project cycle, from sourcing and mood boards to drawings, procurement and install day. Drawn to community-focused public spaces such as schools, clinics and churches.

Experience

Interior Design Student (Co-op) — Elevated Designs, Barrie, ON | May 2026 – Aug 2026

- Source materials, finishes, furnishings and fixtures for residential client projects
- Build mood boards and client presentations, with 3D visuals in SketchUp and Enscape
- Take site measurements and document existing conditions on site visits
- Support procurement, order tracking and delivery coordination through to install
- Assist on installation, styling and client reveal days
- Organize samples and maintain the studio's materials library

Interior Design Intern — Workspace Interiors, County Dublin, Ireland | Jun 2025 – Aug 2025

- Given creative control of the Roadstone project, selecting furniture and materials
- Revised floor plans in AutoCAD and rendered presentation floor plans in Photoshop
- Prepared client presentations for commercial workplace projects
- Created client quotations and processed purchase orders
